AWARDS**

SHOWROOM OF THE YEAR: LARGE/SMALL

The Showroom of the Year Award recognises excellence in workmanship, design, functionality and style of showrooms.

(Small Showroom: floor space less than 100 m², excluding office space)

(Large Showroom: floor space greater than 100 m², excluding office space)

JUDGING CRITERIA:

Please make sure that you address all the points in each question in your entry:

1. General Reasons for Nomination (guide 100 words)

Provide a general description of the project and any standout features of the structure including key aspects of the windows, doors, glass and glazing.

2. Features of the Showroom (guide 400 words)

Describe the showroom including the product range and branding, street presence including night light and visual impact. Please also refer to your signage and where your AGWA identification is displayed.

3. Effectiveness of the Showroom (guide 400 words)

Describe the layout, space and lighting and explain how clients navigate the space. How functional is the sales and staff area? How easy is the showroom to access and address parking, entry and disability access? What innovative features have you employed to enhance customer experience?

4. Environmental impacts (guide 100 words)

How does the showroom impact on and use the environment? Please also address sustainability.

5. One paragraph overview (guide 100 words)

A paragraph as an overview of the project which is to be used for promotional purposes. Tell us why this project is being entered for an Award and what makes it award winning.

6. Social Media

List the name(s) of your organisation's social media accounts to facilitate social media promotion of entries. Please include the account name(s) (eg. @agwa.limited) and platform (eg, Facebook, Instagram, Twitter, etc).

7. Floor plan

Provide a floor plan of the showroom.

8. Photos and/or videos

Minimum 5, maximum 10 photos including interior and exterior shots. If more than 10 photos are submitted, 10 will be picked at random. Accepted file formats: .JPEG .TIF .PNG. A 3-minute video of the site may also be submitted. Footage over this time limit will not be viewed. Videos and links to You Tube should be emailed to marketing@agwa.com.au.

9. Names of Architect

Supply name, address, company, telephone and email of the Architect. Please ensure that they each agree to the use of photos of the site for promotional purposes.

10. Submit on AGWA Awards Force Platform

To be judged, applications must be completed through the AGWA Design Awards Platform at <https://agwa.awardsplatform.com> by the AGWA Member entering the project. You will be able to add to or edit your entry until the closing date.
