Truck Driver – Delivering Commercial Windows & Glass

Argus Vision (Australia) Pty Ltd is searching for an experienced truck driver to work alongside our team delivering commercial window and door products to Brisbane, The Gold Coast and South East Qld.

The Preferred candidate is to have 2+ years' experience in the glass and aluminium industry delivering windows and doors to a variety of work sites and projects. Must hold a Construction white card.

Key criteria:

Have excellent communication and problem-solving skills

Take total ownership of loading and delivery of windows and doors.

In between deliveries you will be expected to assist in the factory loading/unloading deliveries, counting in of materials and any other general duties as required.

Ensure deliveries are carried out in accordance with Company standards and values.

Commit to a safe work environment across all sites, including the factory.

Heavy lifting will be required.

Personal attributes:

Excellent communication skills

Strong work ethic and team player

Be clear with roles and responsibilities for all site team members.

Develop and maintain a good working relationship with sub-contractors and all site personnel.

Other desirable skills include:

- Current Forklift licence

Only successful candidates with suitable proven experience will be contacted for interview for an immediate start.
