

AGWA INDUSTRY AWARDS

2021 SERVICE AWARD NOMINATION FORM

VERSION 2 The AGWA relies heavily on the ongoing support of its members and the annual Service Awards aim to recognise and acknowledge this commitment and contribution to the Association and the glass and window industry.

Perhaps you know someone who has made a significant contribution to the glass, glazing and window industry - the quiet achiever, vocal advocate, company owner, partner, employee or volunteer among us who you think should be recognised for their contribution.

The 2021 Service Award will be awarded during the second half of 2021.

SELECTION CRITERIA

The AGWA Service Award nominees must be:

- An AGWA member or a current or retired employee of an AGWA member company; and
- A long serving employee (minimum 20 years) in the glass and window industry who has made a difference and contribution; or
- A company or employer who has been active in the glass and window industry and their contribution has resulted in a significant difference.

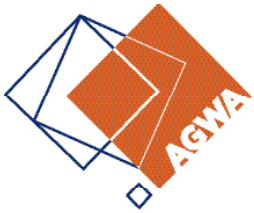

A maximum of three Awards are presented each year.

SUBMISSION

Send completed nominations to Stephanie Grigg by **COB, Friday, 30 July, 2021.**
